

Fragmentarium (www.fragmentarium.ms) is a project financed by the Swiss National Science Foundation and by private foundations (Stavros Niarchos Foundation, Zeno Karl Schindler Foundation, Alfried Krupp von Bohlen und Halbach Stiftung).

This ambitious international project collaborates with the main European and American libraries. Its aim is to lay the foundations for a scientific approach of medieval manuscript fragments by using the most advanced technologies.

In order to continue the project until May 31st, 2018, we are currently looking for a

project manager(60-80%)

The candidate must be a specialist in at least one of the following fields: palaeography, codicology, textual criticism, digital humanities. He or she will have an excellent professional network, be able to lead a team of collaborators and will take part in the fundraising.

English proficiency is required, as well as proficiency either in German or French.

Starting date: May 1st, 2016, or date to be settled.

Deadline for application: Mars 15th, 2016

Information and application to:

Prof. Christoph Flüeler, Principal Investigator
